		1. According to your GPS waypoint data, What is your best estimate of the trail	These are our approximations from GIS data and are our best estimates that

		<p>2. What degree of record keeping would satisfy the requirements of the Davis Bacon Act as noted in E.3. on page 28 of the RFP? Are third party time tracking apps and bank check stubs sufficient for proof of wages? Does the company have to have written policy for overtime and sick pay, or simply be compliant?</p>	<p>I have attached the Davis Bacon Handbook, this will include the official answer to the question. Weekly wage records are required per the handbook in any form that contains the necessary information. From our end, we are good with a weekly email laying out the simple information. The form WH-347 can be found at this link, it is a good option but not required and also lays out the necessary information needed for reporting.</p> <p><a href="https://www.dol.gov/whd/forms/wh347.pdf">https://www.dol.gov/whd/forms/wh347.pdf</a></p>
		<p>3. Can we have some written specifications for the Campsite as discussed and shown on the attached maps but not included in the RFP? We request information on GPS location, size, number of camp sites, and degree of tree removal and drainage improvement. Shall the cost of such be added into the section "North 1" or broken out on its own? If not within the scope of this RFP, we will not include the cost in our proposal.</p>	<p>Because the campsite is not specified in the RFP and only appears on the map, do not include the campsite as part of your bid process and it will not be considered a part of this project.</p>
		<p>4. Is there a contractual obligation to finish work within a certain amount of time after the contract is awarded? I thought I remembered something to this effect but cannot find it in the RFP.</p>	<p>The term laid out in this RFP is for 9 months after the start date of March 1st. Adding a six month extension to this initial 9 months is an option we will utilize if needed.</p>

3. **RFP Amendment Effective Date.** The revisions set forth herein shall be effective upon release. All other terms and conditions of this RFP not expressly amended herein shall remain in full force and effect.
